INTRODUCTION

Reading becomes more fluent as early readers recognize sight words. This book was created to help students expand their repertoire of sight words through fun-designed lessons and practice.

The list of most used sight words on page 85 has been alphabetized and would make a helpful handout as students begin to form sentences using some of the words presented in each of the 18 lessons in this book.

CONTENTS

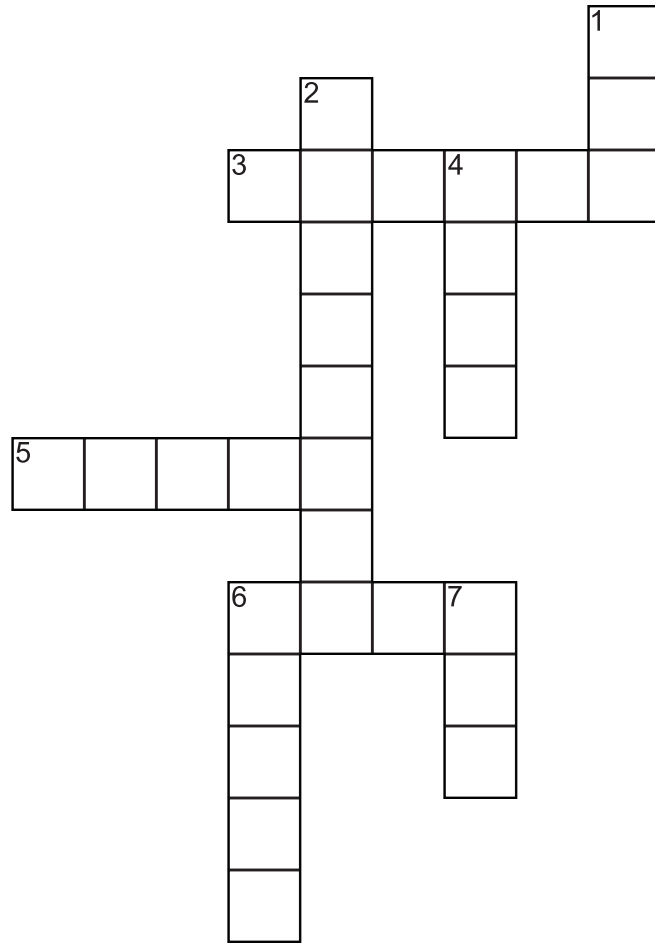

Animals words	1
Restaurant words	7
Beach words	10
Nature words	13
People words	16
