

How to Assemble Have You Seen My Barnyard Baby? Big Book

You'll need: 4 sheets of red two ply bristol, self adhesive velcro circles or squares, glue, scissors, crayons or markers.

What to do: Enlarge the story pages to 11x17" with a photocopier.

Colour the cover and cut out.

Border the barn shape with a red chisel tip marker.

Cut out the barn pages.

Use 1 barn page to make a tracing template. Trace the barn shape onto the 2 ply bristol board. Trace the barn slightly larger to leave a border. Cut out and trace 4 more. You will need a total of 8 barn shapes.

Glue the cover and the text pages onto the barns cut from bristol.

Glue an envelope on the outside back cover to store the story pieces. (Slit open after lamination).

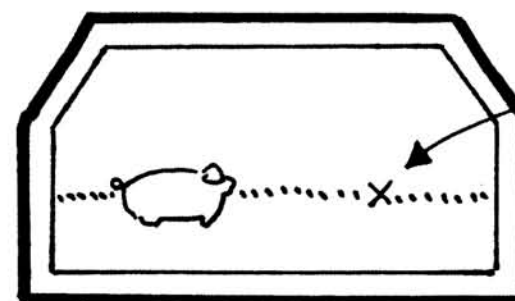

Laminate and bind.

Place a velcro dot on the X on each page.

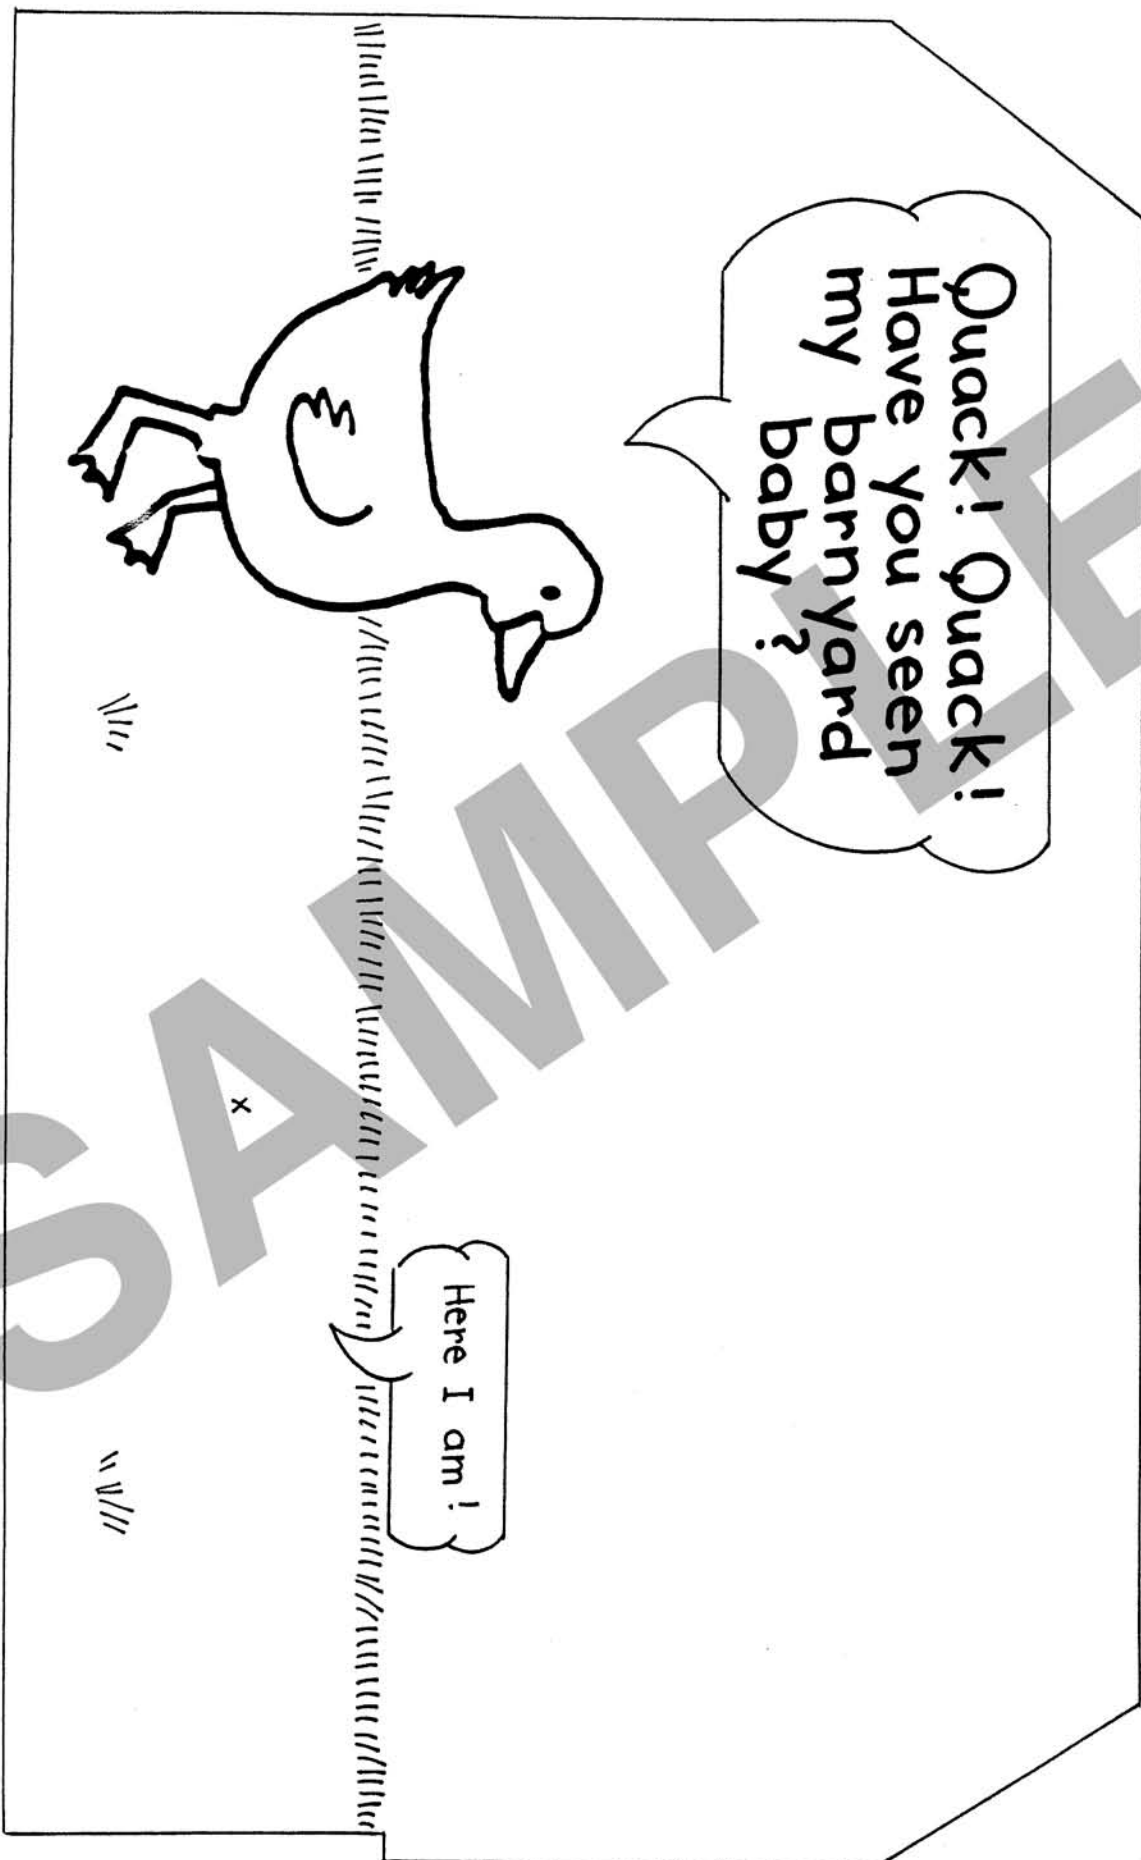

Colour and cut out each of the baby animal story pictures. Mount onto 2 ply bristol, cut out again leaving a small edge. Place the other side of the velcro on the back.

velcro dot

Hands on Classification Activity

Photocopy the animal cards and the activity instruction card. Colour or photocopy onto a coloured bond paper. Cut out. Mount onto a 2 ply bristol backing. Store in a zipclose bag at a learning centre for an activity in classification.

Sequencing Activity

Photocopy the cards onto a coloured bond paper. Cut out and mount on bristol board. Store in a zipclose bag at a learning centre for a sequencing activity.

Pocket Chart Activity

Hand out the animal cards to the class. Take turns placing a card in the pocket chart until all the cards are used. The cards are placed in their animal families.
